

Connecting and Empowering Bari Communities

Parara USA Annual Report 2017-2018

7/1/2018

Mission:

Through education, empowerment, and dialogue, PARARA-USA aims to foster connectivity among Bari people in an effort to facilitate their integration into the American society with dignity, and as responsible, productive members through love, unity, and action.

Vision:

We envision a vibrant and connected Bari community in the USA that is integral part of the American society with strong Bari culture and connection to South Sudan.

1. A message to members

Greetings with Jubek Spirit,

My beloved Bari community member I hope you and the family is doing well. Thank you for your support and commitment to our community through out 2017-2018. Nothing can be done without your blessing and support. Your voice and support was critical in connecting our community and keeping us together.

This past year was tough on our community. We have lost dear community members in the USA this year (RIP Naponi Na Dante, Lobojo Kennedy, Lolos Mario, and Tom Lako). And also faced a difficult dispute in our local and national office. It was tough but we have passed over these challenges and look forward to future. May the Lord continue to strengthen our community in difficult times.

All Bari members belong to this community and all are welcome to participate. Let's continue to bring our youth to the front and challenge our selves to volunteer for local offices. Through love, unity, and action we can achieve our dreams.

I would like to thank the Momoret organizing committee and Bari members of California, Utah, Colorado, Arizona, and Nevada for hosting a successful Momoret 2018.

I would also like to welcome and thank the new executive and board of directors under leadership of Erminia Poni and Santo Jada for volunteering to lead us forward. I wish you the best and we are here to help.

Below are highlights of 2017-2018 activities:

Humanitarian assistance: we continue to support humanitarian assistance of our community in South Sudan. This has been a challenge to us all for the past 4 years but it is the least we can do to boost hope and moral of those who are suffering. Thank you members for your contribution. Your donation gives hope and strength for others to continue to live.

Funeral assistance: Our community stands together in time of need. Let's continue with this spirit regardless of who and where.

Bari Census: We had little progress with this. Only organized states are able to generate information. Let's focus on creating local offices that can do this. So far the best method to get detail info is during Momoret registration. I recommend using online registration for next Momoret that require all details before attending conference.

Successful Momoret 2018: The Momoret is the most important event for Parara USA because it brings our community together. About 200 persons attended our 13th annual conference in San Diego, California. We must focus in reducing the cost of Momoret.

Bari Global: Parara USA participated in formation of Bari global and I recommend official amendment in Parara USA bylaws and approval by Parara USA general assembly in next convenient time. In the mean time, Parara USA will continue to work with Bari Global office.

Youth and Scholarship: Momoret 2018 focused on Bari Youth. The Youth have done a great job in communicating their needs and concerns. I want thank all who participated in Momoret. I want you to continue and bring others in. The 2018 Scholarship of \$500 was awarded to Bonge Lako for 2018 school year.

I would like to thank all our members and sponsors for their contributions and volunteers for their efforts to keep up with community work.

Thank you for your service and commitment.

Let's volunteer and donate today.

Sincerely,

Dr. Sokiri Pitia
